WAYS TO RAISE FUNDS...

* Raffle or Opportunity Drawing?

- ❖ A **raffle** is a type of lottery in which prizes are awarded to people who pay for a chance to win. Each person enters the game of chance by submitting a detachable coupon or stub from the paper ticket purchased. A raffle must be conducted under the supervision of a natural person age 18 or older. At least 90 percent of the gross receipts from raffle ticket sales must be used by the eligible tax-exempt organization to benefit or support beneficial or charitable purposes in California.
- ❖ An **opportunity drawing** under Penal Code section 320.5, subdivision (m) states that a raffle is exempt from registration with the Attorney General's Office and becomes an opportunity drawing if **all** of the following are true:
 - ☑ It involves a general and indiscriminate distribution of the tickets
 - ☑ Tickets are offered on the same terms and conditions as the tickets for which a donation is given
 - ☑ The scheme does not require any of the participants to pay for a chance to win
